DISTRICT GOVERNOR'S WELCOME

Firstly, thank you for your support and involvement, by taking on leadership roles this year, whether at Club or District levels it is important that we work together as one. This will enable us to maximise our achievements in overcoming change within our organization or any other challenges that maybe forth coming.

It is up to you as a member of your Club's Management Team, along with your colleagues, to promote and maintain good Club health and member engagement to maintain your club in a sound and stable position. A club that new members would love to join.

As it is essential that we all work **TOGETHER AS ONE**. A united team will always achieve success and overcome any challenge that may be put in front of us.

These forums are about understanding your roles, sharing information, receiving updated information on policies and initiatives changes from Lions Clubs International, and most of all meeting fellow Lions, networking and forming new friendships.

This Manual has been put together to assist you in your new role, however there are other resources available on the Lions Clubs International and Lions Clubs Australia websites to assist you with your role.

The biggest challenge given to all Districts this year by Lions Clubs International is to implement a Five-Year Plan. This is to give our District stability and direction into the future, hopefully stopping the continued chopping and changing from year to year, and to help improve our relationship between Clubs and District.

My theme this year is: **OUTBACK to OCEAN – TOGETHER AS ONE**

Explanation:

Outback to Ocean indicates the vastness of our District

Together as One - Over many years, Lions have shown and proven what we can achieve, when we join Together as One.

It is essential that we all work **TOGETHER AS ONE**. A united team will always achieve success and overcome any challenge that may be put in front of us.

After a couple of years of turmoil, i and my team are looking forward to working with you, and bringing positivity back to our lives.

Take care, stay healthy

CABINET SECRETARY'S WELCOME

My thanks and congratulations to you all for taking on the position of Secretary. I hope that you will find this manual useful, and that it will help you to understand and manage your role.

So often I have heard people say “club secretary is the worst or hardest role I could never do it”. These statements can make it very difficult to find volunteers for a position that I have always found interesting and rewarding and one that provides great learning opportunities.

There are certain legal requirements such as recording, signing (both the president and secretary) and retaining meeting minutes, as well as completing the Office of Fair Trading Annual Returns for Incorporated Clubs. There is also a responsibility to Lions Clubs International to report membership and service activities. To District to supply requests for convention delegates etc.

As Secretary you will have first-hand knowledge of what is happening, what the opportunities are, and what deadlines are coming up. How you use this information will assist the Club to run as effectively as possible. You will be able to:

- assist the President to create the Club Meeting agenda
- provide reminders about upcoming events and deadlines
- ensure the Club meets its reporting obligations
- identify opportunities for fun, service and fund raising.

We cannot cover every scenario you will face in a manageable document – Remember each Club is different, but we hope this manual gives you the basis for good decision making in the role, and that you can merge how your Club has always done business with your own ideas to make the role work for you and your Club. The last few pages of this Manual are Annexures containing information and templates that may assist you in your role.

Should you need any assistance or advice, or further information don't hesitate to ring me. If I don't have an answer then I will certainly get back to you with one. I am looking forward to working with you all in DG Graeme's year.

I wish you all the best for a successful year and hope that by the end of it you will spread a positive message that being a Secretary is a challenging role but that it is also interesting and rewarding.

1.0 LEGAL ISSUES- WHERE WE GET OUR AUTHORITY AND OBLIGATION

1.1 Constitutional & Legal Requirements

The Standard District 201Q3 Club Constitution is available on the District website at <https://201q3.lions.org.au/resources> and has been drafted having regard to the requirements of Lions Clubs International and the Queensland Office of Fair Trading. Relying on another Club Constitution may mean that you are not complying with local laws.

Please ensure your Club has adopted the 2019 version of the Constitution and has lodged that resolution with the Office of Fair Trading. For more information, please contact Richard or Norm.

For further details, or if you believe your Club is not using, or chooses not to use, the Q3 Constitution, or you consider an amendment is necessary, please contact the Constitution and By-Laws Chair (PDG Norm Alcock) for advice.

1.2 Duties of the Club Secretary

The District 201Q3 Lions Clubs Standard Form Club Bylaws at By-Law 4 – Duties of Club Officers states:

Section 5. **SECRETARY.** They shall be under the supervision and direction of the president and the board of directors and shall act as the liaison officer between the club and the district (single, sub- and multiple) in which this club is located, and the association. The responsibilities for this position shall be as follows:

- (a) Submit regular monthly and other reports to the international office of the association containing such information as may be called for by the board of directors of this association.
- (b) Submit to the District Governor's Cabinet such reports as it may require.
- (c) Be an active member of the District Governor's Advisory Committee of the zone in which the club is located.
- (d) Have custody and keep and maintain general records of this club, including records of minutes of club and board meetings; attendance; committee appointments; elections; member information, addresses and telephone numbers of members; members club accounts.
- (e) Give bond for the faithful discharge of their office in such sum and with such surety as determined by the board of directors.
- (f) Deliver, in a timely manner, at the conclusion of their term in office, the general records of the club to their successor in office.

1.3 Obligations of a Chartered Club

As given in Article XI Section 4 of the International By-Laws, the obligations of each chartered Club, to remain in good standing, are as follows:

- Collect from each member, except as otherwise provided in the By-Laws, minimum annual dues to cover International and District (single, sub-district and Multiple District) dues and such other expenses as are necessary for club administration.
- Submit such regular reports to the association's office as may be called for by the International Board of Directors.
- Abide by the Constitution, By-Laws and the Policy of the International Board of Directors.
- Attempt to resolve all disputes arising at the Club level according to the Club Dispute Resolution Procedure set out, from time to time, in the policy of the International Board of Directors.

1.4 Policy Minutes

We suggest that each Club maintain an up to date set of Policy Minutes. They should reflect the day to day operational and management aspects of the Club, and could address issues such as:

• regular project activity	• fee structure
• catering procedures	• support for community activities
• security	• dress standards
• participation in District activity	• Raffles
• member reimbursement	• Club visits
• entertainment	• Conventions
• changeover functions	• Club equipment
• social activity	• Security & Safety
• Meeting dates, times and venues	

Clubs review their Policy Minutes annually and adopt them at the first meeting in each Lions year,. Policy Minutes may be amended at any time during the year-

District Constitution and By-Laws Chair (PDG Norm Alcock) is available to guide and assist Clubs in formulating Policy Minutes.

1.5 Club Secretary – Requirements under State Legislation

At all times, the Club Secretary should remember that he/she is also the Secretary of an Association incorporated under Associations Incorporation Act in Queensland.

He/she will have to comply with the administrative requirements of that Legislation, in addition to complying with the administrative duties required by the State Charitable Collections Act (Your Club should have a Certificate of Sanction to enable fundraising.) The Legislation provides for significant financial penalties for those Secretaries who fail to comply with their requirements.

The Associations Incorporation Act 1981 and the Charitable Collections Act both require Incorporated Associations to

- hold an Annual General Meeting within 6 months of the close of the financial year (also a requirement under Rule 16 Section E of the District 201Q3 Club Constitution and Bylaws),
- submit an annual return within one month of the date of the Annual General Meeting,
- pay the lodgement of annual return and financial statement fee.

The Office of Fair Trading will send annual return forms to the address they have for your Club within one month of your financial year ending. If you do not receive them, or need another copy, you can send a request to the Registration Services branch of the Office of Fair Trading (see contact details at www.fairtrading.qld.gov.au/business-units.htm).

The Lions Club Management Committee determines the date of the AGM, but the Secretary must give at least **14 days** notice in writing (electronic, mail or personal delivery) and must advise the date, time, venue and the business to be conducted at the meeting. Please remember to allow delivery time if you are posting a notification.

See **Annexure A** for procedures and draft Agenda for an AGM.

2.0 THINGS TO DO BEFORE YOU START

2.1 Liaison with Club President and Treasurer

Prior to the commencement of your year as Club Secretary, we strongly recommend that you meet with the new President and Treasurer to establish "ground rules" for the way in which the Club is to operate. You should decide on such items as:

- Who will be responsible for meeting agendas and issuing notices of meetings?
- How will correspondence be handled within the Club? (e.g. what emails will you send to all members, what correspondence does the President want to know about, what constitutes spam?)
- Who will prepare the Minutes of Meetings? – will your Club appoint a Minute Secretary?
- Who is responsible for arranging meal bookings, liaison with your meeting venue etc? Where meal bookings are concerned, the member who accepts responsibility for this task needs to be easily contactable.

You may consider documenting these matters in your Club's Policy Minutes if they are not already.

2.2 Chat to the outgoing Secretary

They have been doing the job for a year (or more), and are aware of the short-cuts, expectations, duties and pitfalls. Have a chat to them. You may care to discuss:

- What equipment, records and stationery will they be handing over, and what do you need?
- What are the quirks of the role?
- What hints can they give you to make the job easier?

3.0 REPORTING OBLIGATIONS

3.1 General

Reporting is important to every organization and LCI is no exception. Knowing how many members we have, how much we donate to the community (whether as dollars, in kind or hours) helps LCI promote Lions as a viable option for benefactors to partner with us to deliver our outcomes (e.g., Bill Gates and One Shot One Life).

In addition, we are obligated under State and Federal laws to maintain accurate membership lists.

3.2 How to report

There are two reports - covering Membership and Activities. The Monthly Membership Report is simply that, a report on membership movements. The other is an Activities Report which tallies hours spent, funds raised and donations made.

We report membership on MyLCI, and activities using MyLion. There is a single login for both reporting systems.

The following Club Officers have access to report for Clubs:

- President, Secretary and Club Administrator can complete **membership** reporting.
- President, Secretary, Club Administrator and the Club Service Director can complete **activity** reporting.

We will provide assistance to ensure you are ready to report on 1 July.

3.3 Access to reporting

Access to MyLCI, MyLion (and other resources) is through a single Lion account.

If you have not yet registered, you can do so by entering MyLion or MyLCI in your web browser, which will take you to the log/on registration page. To register, you will need your LCI Number (available from your Secretary, your President or Club Administrator, or the Cabinet Secretary), and an email address that no other person has used to gain access.

Any Lion can do this. However, once your position as the Club Secretary has been reported to LCI they will provide you with write accesses you need to report on MyLion and MyLCI. In late, May you should have access to the MyLCI training area and have full access to both systems by 1 July.

3.4 Membership Report

It is important that you keep your members' details up to date. This means updating MyLCI when your Club inducts a new member, a member resigns, transfers or has their membership terminated, or when a person's details change (change address, name, membership type...).

Lions Clubs are required to report on membership each month, whether you have changes or not.

Even when there are no changes in membership, clubs should report "No changes for the Month." by the 27th of each month (no need to wait till the end of the month – if you put in a 'no changes' report early in the month, you can over-write it if something changes. Monthly reporting ensures accurate statement billing, mailings, award(s) criteria and other benefits.

The Monthly Membership Report is the most important communication document in use in our Association. It serves many purposes and reaches many people who each extract the information they require from the report.

It particularly important that the membership data be kept up to date for legal and insurance reasons. For instance, if a new member was unfortunate enough to suffer an accident whilst working for Lions and their membership could not be verified, it is possible that an insurance claim could be delayed or denied.

Membership Reports are used to record a variety of information in Lions Clubs International and MD201 databases. They are also used to control the charging of International, Multiple District and District dues to the Club's account.

Lions Clubs International considers that timely receipt of Membership Reports is so important that they make it one of the conditions which determine whether the District Governor receive their 100% Award. Your District Governor can spend twelve months in total dedicated service to our Association but not receive due recognition for their efforts because Club Secretaries did not submit reports on time.

3.5 Club Service Activity Report

The Responsibilities of the Club Service Chairperson include recording service activities, and the secretary unless fulfilling both roles should not have to be concerned with this. You will need to speak with your Club Service Director to clarify the responsibility for recording service activities:-

Please report the Club's service activities on MyLCI as they occur. Service activity reporting helps us measure the impact of our service and helps our leaders at the District, Multiple District and International levels understand the needs and interests of the local Club, helps inspire fellow Lions with our success stories and provides a searchable record of the year's activities. I suggest you do NOT report future activities – reporting past activities is much simpler

It also is evidence of our reach that convinces benefactors to support and partner with us.

At the end of the year, International Headquarters will tabulate the results from more than 46,000 Clubs and the Association will have an accurate annual accounting of:

- The types of Lion service activities completed.
- The total number of service hours volunteered.
- The amount of funds that are donated to charitable causes.

This information is valuable as a public relations and membership recruitment tool for Clubs around the world.

By completing the service activity report online each month, you can:

- Keep a descriptive, searchable record of their Club's service activities.
- Upload photographs for each service activity.
- Use the support centre panel for additional instructions and tools related to a specific functional area of the report.
- Search for activities (including photos and project descriptions) that are being shared by other Clubs and districts worldwide.

For more information on service activity reporting, visit the LCI Web site at <https://www.lionsclubs.org> and search by keyword "activity report."

For technical assistance, contact GST Coordinator Debbie Williams, Cabinet Secretary Barbara Matthews or PDG Norm Jensen, or LCI's support centre via email at mylci@lionsclubs.org.

3.5 Club Officer Report

Each year, following the election of the Club Officers, Clubs are required to report their new officers to District by 15 April (was via emailed PU101 now only from MyLCI) and to International Headquarters by 15 May (on MyLCI). Please ensure this is completed by 15 April.

Remember to update MyLCI with current details and a current unique email addresses to facilitate establishing Club Officer contact and accesses. Once the new Officers are reported, those officers will begin to receive correspondence and have appropriate access to MyLCI, MyLion and other resources. For the same reason, Clubs should tell the Cabinet Secretary of any officer changes that occur during the year.

National Office will provide details about scheduling to meet the operational needs with respect to publishing the Multiple District Directory. This is done by the Cabinet Secretary and Club Secretary using the information from MyLCI on-line.

3.7 Multiple District Directory

In July of each year, Multiple District office produces the Multiple District Directory in both paper and electronic forms. Its primary purpose is listing contact details for all MD 201 Lions and Leo Clubs.

Copies of the Directory are available to all members and Clubs in the Multiple District. The number of hard copies supplied is based on an order by members or the Club through the Lions Store on the Lions Australia website. Cab Sec will advise when you can place your order and how to pay.

The Directory also lists names and contact details for District Officers.

It is essential that each Club completes election processes and enters the results into MyLCI on-line by the 15 April each year, to meet the editing and publication/despatch schedule for the Directory.

4.1 Planning for Meetings

During your year as Club Secretary, it is possible that you will be present at over thirty meetings of your Club and its Board of Directors. Experience has shown that these are best handled with a mixture of planning and efficiency. Good planning is essential to minimise the workload and it is wise to prepare a checklist covering necessary actions. Efficiency lightens the workload on you and your colleagues.

Many Club Secretaries find it helpful to discuss meetings with the Club President a few days before the event. Such a discussion permits a review of incoming correspondence and other matters for discussion, and assists preparing the agenda.

4.2 Board of Directors' Meetings

The Club Secretary has the following duties in connection with the meetings of the Club Board of Directors:

- Together with the Club President, co-ordinate the topics to be covered including the preparation of an agenda and the supporting correspondence.
- Notify all Club Members of the time and location of the meeting, preferably at the Dinner Meeting prior to the Club Board Meeting.
- Provide a list of inwards and outwards correspondence.
- Provide minutes of the previous meeting.
- Record the Minutes of the meeting in detail to provide the "business history" of the Club. See below for items that should be recorded.
- Ensure the decisions of the Club Board are advised promptly to Members and others.

The Club Secretary's other responsibilities will vary from Club to Club, so establish ground rules" with the Club President at the start of the year, to avoid confusion at Board Meetings.

4.3 Regular Club Meetings

Although the style of Club meetings will vary widely between Clubs, all should have a good programme and plenty of good fellowship.

As Club Secretary, you should plan your contribution to the meeting. Prior to the meeting, you prepare an agenda; together with a check list of "things to do", including:

4.3.1 Before the Meeting

- A list of visitors and guests.
- A list of apologies (i.e., those who have notified the Club of their non-attendance, not that someone has noticed they are absent).
- Awards to be presented.
- Prepare correspondence listing copies to give to Committee Chairs or members (you don't need to wait for a meeting to do this – you can forward them to the member responsible as soon as you receive them).
- Assemble information to be announced to members.
- List items of interest for the Club President, including any necessary protocol for the correct greeting of guests.

- Forward items of interest to your Club Public Relations Chair / Bulletin Editor. Don't forget your contributions to the District Magazine and the Australian edition of the "*Lion*".
- (If required in your Club) record of attendance and make-ups for all members.
- Obtain and prepare "new member kits" including Membership Certificates and badges for the induction of any new members. (In some Clubs, the Membership Chair may undertake this task.)

4.3.2 During the Meeting

- Check the attendance roll and make note of members with guests. Note the contact details of potential new members.
- Record Minutes of meeting.
- From time to time, ask your existing members to check a copy of their Club record for correctness.

4.3.3 After the Meeting

- Send the minutes to President for approval prior to circulating them to Club Members
- Note attendance on your Club records. (If your Club does this)
- Record any awards presented to your Club and members Attend to correspondence.
- Prepare Minutes and distribute copies to all members (as soon as possible after the meeting. Some Clubs have a timeframe (e.g. 3 days) in their Policy Minutes) or, alternatively, publish minutes in your Club Newsletter.
- Minutes are to be signed by the President and Secretary (or whoever chaired and recorded minutes) after they have been confirmed correct at the next meeting
- Complete your Membership Report and other necessary returns, including activity information.

The Club Secretary's detailed responsibilities will vary from Club to Club. It is recommended that "ground rules" are established with the Club President at the start of the year, to avoid confusion at meetings.

Some of the tasks above may be undertaken by the Membership or Club Service Chair.

4.4 Zone Meetings

Officially known as the **District Governor's Advisory Meeting**, the Zone Meeting is convened by the Zone Chair. The Club Secretary, (along with other members of the Club) is a member of the District Governor's Advisory Committee for their Zone.

The Committee meets three - four times per year to discuss and coordinate Lions affairs within the Zone. Zone Meetings also provide an opportunity for Clubs to receive information from District Cabinet Meetings and have input to the District Cabinet. District Chairs are often invited to make presentations on their portfolios and this provides an opportunity to share ideas and problem solve.

The notes of the meeting should be published in your Club Bulletin or otherwise distributed to members.

5.0 RECORDS

Before we start, a word about minutes. They are called minutes, not hours or seconds. They should be sufficiently detailed to provide a lasting record of Club meetings and decisions, and so that people not at the meeting get the information they need to know what is going on and how they can participate. They should not be so detailed that people give up reading them, or miss the important bits, nor should they be so brief that they don't relay the story.

Using a template will make your job easier – many of the agenda items and motions will be the same at each meeting. Choose a template that works for you and your club. I have attached an option at Annexure F.

5.1 Recording the Minutes

The Minutes of both Board and Club Meetings are a record of the Club's affairs that must be recorded and stored for legal, insurance, future reference, and Club historical purposes. Such Minutes should be formally adopted at the next meeting, with corrections (if any) recorded.

The following are Minute-keeping guidelines:

- Names of guests and members present at the meeting.
- Apologies for absence. Only record those who have sent apologies. Do not assume that if someone is not there, they are an apology. If they are on their way to a meeting and have an accident, it may make an insurance claim more difficult if the records show they were an apology.
- Names of Members giving Invocations, Loyal Toasts, etc.
- Details of any payments authorised by the Meeting. Your Club Treasurer should seek authorisation for each payment made on behalf of the Club. You may refer to a schedule published in say, your Newsletter, or a separate Treasurer's Report, provided you keep an "official" copy as an appendix to the Minutes.
- Full wording of motions, regardless of the result of the discussion, with proposers and seconders and a record of whether the motion was approved or lost.
- Full wording of motions authorising the participation of the Club in projects or any activity. Always include authorised expenditure. The Club must formally agree to participate in any project and have the matter recorded in the minutes for Insurance and other legal reasons.
- Matters of business needing the formal approval of the membership.
- Acceptance and induction of new Members, and the resignation or transfer of any Member, together with any action that affects the status of any Member. All changes of membership status should be the subject of a notice of motion to ensure that the wishes of every Member are considered. (Acceptance and resignations should be dealt with at a Board Meeting in the first instance).
- Committee Reports
- General Business

Minutes of both Club and Board Meetings should be distributed to all members of the Club in PDF format, to keep the membership in touch with Club affairs, particularly when they are unable to attend a meeting or meetings. Many Clubs include the minutes in their regular Club newsletter.

The Minutes of your meetings are a valuable tool for the administration of your Club, and they should be freely available to all members. Apart from anything else, members can use them as a "memory jogger." They form an important reference point for following meetings.

5.2 Record Retention

The Queensland Office of Fair Trading has developed an [Incorporated Associations Smart Business Guide](#) which requires us to keep all financial records for at least seven years after the final entry.

They also state that minutes of meetings provide a permanent official record of the business transacted. They should form a clear and concise summary of the proceedings of the meeting. This means minutes should be kept 'forever'.

5.3 Membership Attendance Records

The International Constitution requires Chartered Clubs "to encourage regular attendance" at the "regularly scheduled meetings" which are held at least monthly. Contrary to a general opinion that is often expressed in Australia, there is no provision for Clubs to go into recess over the Christmas or any other period.

The Club Secretary is generally responsible for maintaining records of attendance, although in some Clubs it is a function of the Membership Committee. Take advice from your predecessor whether your Club does this, and how you do it.

MyLCI records club offices held for each member. It is important that you (or someone in your club) records all positions held and awards received by members. It is prudent to also record those positions recorded in MyLCI, as recovering data about Officers may be difficult, especially a few years after they held office.

5.4 Backing up Records

Most Clubs use electronic communication and record keeping. Reports to District, Multiple District and LCI are, for the most part, submitted electronically.

However, please ensure you have adequate back-up arrangements (either electronic or paper) in place to safeguard against a computer fault losing the Club records. Backup is beyond the scope of this manual but may involve an external hard drive stored at a site different from that of the primary records.

5.5 Other Records – Child Safe

Refer to the information in **Addendum G** which outlines detail about what is required from Lions Clubs in relation to Child Safety.

To support compliance with the Queensland legislation and Lions Australia Child Safe Policy, Clubs need to ensure the following records/documents are in place:

- A **Club Child Safe Policy** is developed/adopted and reviewed annually
- The appointment of a **Child Safe Officer** is recorded in the Minutes of the Club at beginning of each year
- The form "**Update Organisational Details**" from Blue Card Services is completed/submitted at beginning of each Lions year
- A **Blue Card Register** is maintained and saved/archived at least twice per year eg beginning of July and end of December
- Forms are completed to **link and delink Blue Cardholder** members when relevant/required
- **Child Safe Incident Reports** are completed when there is a breach of the policy in relation to risk/harm of a child/young person.

6.0 CORRESPONDENCE

6.1 Club Mail Arrangements

In previous manuals, we have encouraged Clubs to have a PO Box to receive mail. While there are advantages to doing so, almost all contact these days is electronic, so not having a box may be a cost saving measure for Clubs to consider.

That said, you do need an address for the Club, and that address will be recorded with the Office of Fair Trading, your bank, Lions Australia and LCI (at least). If the owner of the address goes away for a few weeks, you may need a Plan B for Club mail.

A few words about handling correspondence:

- You do not need to wait until the next meeting before taking action on correspondence.
- Maintain the incoming and outgoing correspondence files progressively during the interval between meetings and use it to update your Club President on incoming and outgoing mail.
- In general, you should answer or acknowledge all incoming correspondence immediately, and make sure that inward mail is directed to the Club Board member or Committee Chair concerned.

For instance, send original accounts and statements to the Club Treasurer for their files and action. The original copies of all other correspondence should remain in the hands of the Club Secretary, with copies being sent to the various Project Chairs or others

- The percentage of "junk mail" reaching our Clubs is often high, and the Club Secretary is correct in removing such items where they clearly have nothing to do with Club business.

However, be careful not to "censor" the mail, remembering that whilst the Club Secretary may not be interested or agree with a particular item, other members may wish to know. Secretaries sometimes take on the role of chief censor for the Club and some important correspondence may never get past them.

- ❖ The Club correspondence file should be available to all members at the meeting, remembering that members are entitled to see all incoming and outgoing correspondence.

There is really no need to read all the correspondence aloud at meetings – in fact, DON'T! A reasonable compromise is for the Club Secretary to briefly draw attention to significant items within the file. Some Clubs use an "Incoming and Outgoing Mail Summary", with the correspondence numbered to facilitate reference, and ask members for questions about any items.

6.2 Email

In District 201Q3, each Club has an email address of the form *your-club-name@lionsq3.org.au*

The District webmaster will, by default, forward any emails sent to that address to the personal email addresses of the President and Secretary. If you would like to add other members, or a generic Club email address, please notify the District webmaster at lionsd201q3.it@gmail.com

The District will use this email address as the primary contact with the Club, and the address will be published in the MD Directory (unless you request a different address), so it is important to keep the addresses receiving forwarded emails up to date.

7.0 MEMBERSHIP

7.1 New Members

Membership of a Lions Club is by invitation and is open to any person of legal majority and of good moral character and reputation. It is customary for a new membership prospect to attend two or three meetings or activities before being invited to join.

However, there is no constitutional requirement for this procedure, and it is a matter for the discretion of the Membership Committee and the Club Board as to when an invitation is extended. The procedure allows the prospective member to get a feel for the Club and allows the Club to get to know the member. If the member does not think the club is for her/him, it may be possible to guide them to another local Club.

The prospective member should complete the "Membership Application" form (ME6B) <https://lionsclubs.org.au/wp-content/uploads/2013/01/membappl.pdf> <https://lionsclubs.org.au/wp-content/uploads/2013/01/membappl.pdf> and it should be made clear to the prospect at that stage that membership is by invitation.

New Member Induction Kits are free and are ordered from the Club Supplies Shop on the Multiple District 201 website <http://www.lionsclubsshop.com.au/>

The name(s) and induction date of New Members can be entered under product details when adding to the shopping cart. This information must be provided for orders to be processed. When inducting new members, please ensure that the current International President's name is on the certificate.

7.2 New Members – Briefing and Investigation

Before inviting a person to join, your Membership Committee or the Sponsoring Member must thoroughly brief the person on the costs and obligations of membership. This procedure is often combined with a discrete investigation as to the candidate's suitability. (In the case of new members, the Club has an obligation under the International Constitution "to thoroughly investigate the background of all persons proposed for membership in the Club. Such investigation shall include inquiries in the community where the proposed individual resides or has a place of business or is employed.")

It is in the interests of your Club and the Association to ensure that a prospect will make a good Lion Member. It is best that an experienced Lion with broad knowledge of the Association should participate in the briefing and investigation of new members.

7.3 New Members – Secretary's Duties

Following briefing and investigation, the new prospect's application should be placed before the next Club Board Meeting for acceptance, or otherwise. In the case of acceptance, you should ensure that you have full details of the new member for Club Records. Enter the details into MyLCI, and complete any other membership records your Club uses.

The Club Treasurer should ensure that the appropriate joining and pro rata membership fees are paid. Some Clubs have a policy of waiving entry fees to encourage new membership, but please remember that the Club would still have to pay the International joining fee.

There is no need for the Club to wait until a new member is formally inducted before recording their membership on MyLCI. A Lion membership dates from your Club Board's acceptance of their application to join.

Your Club President should arrange for a formal induction of the new member as soon as is practicable. Refer to the Club President Manual for more information.

7.4 Reinstated Members

Any member dropped from membership in good standing may be reinstated by the Club's Board of Directors. The Reinstated Lions Service Credit allows Lions who have had previous breaks in Lions membership to claim their time served and apply it to their current Lions membership record as prior years. This benefit does not apply to former members who were dropped for non-payment of dues, or otherwise not in good standing. To ensure reinstated members get recognition for prior service, please use the returning member option not the new member

7.5 Membership Resignations

Membership resignations always need to be handled with tact, since they may indicate that a member is dissatisfied for some reason. Your Membership Committee Chairperson should immediately be advised and asked to discreetly investigate the situation.

Please do not "drop" a member from MyLCI without reference to the Club. Resignations are sometimes submitted in the heat of the moment after some disagreement and should always be investigated by the Membership Committee as a retention exercise.

When a member leaves your Club, you should retain a copy of their Membership Record. Following acceptance of the resignation by the Club Board, follow the "membership drop" procedure on the **MyLCI** website.

7.6 Transfer Members (see Annexure B)

There are many reasons a member may leave a Club – moved from the area, meeting night does not suit, projects don't interest them. Where possible, we should encourage these Lions to join another Lions Club, rather than lose them altogether.

▪ Incoming transfers

Clubs may grant membership on a transfer basis to a Lion who has terminated or is terminating his/her membership in another Lions Club, provided that:

1. The member is in good standing at the time of transfer requested.
2. No more than twelve months has elapsed between termination of his/her membership in another Club.
3. The transfer is approved by the inbound Club Board of Directors.

The losing club must drop the transferring member using the category 'transferred in good standing'; the gaining Club finds the member on MyLCI and adds them to their Club. It is no longer necessary to send the *Transfer Member Form* to International Headquarters, and not all Clubs/Districts use it. However, a Lion's history on MyLCI is limited, so it is helpful to provide a list of Club roles and awards to the gaining club.

If your Transfer Member does not have a copy of their Lions Record, you should request that information, so you know their Lions history. remember that a lot of history is on my LCI

If the incoming member is financial in the original Club, it is normal to regard the member as financial in the new Club until the next dues period.

▪ Outgoing transfers

Following the approval of an outgoing transfer by your Club Board, you should ensure that you have future contact details for the member and assist them to find a suitable Club near their new location. It is courteous to send a letter of introduction and a copy of your Member's Record to the new Club, as this will assist the new Club to welcome the transferee to their District.

The Club Secretary should then complete the MD201 Transfer Procedure (Annexure B). The Transferee should be entered on **MyLCI** as a "dropped" member - 'transferred in good standing'.

Please ensure you provide the new Club with a copy of the member's service history and awards.

8.0 CLUB ELECTIONS

If your Club does not use the District 201Q3 Standard Club Constitution and By-Laws, or has amended them, the information below may not apply to your Club.

8.1 Nominations Committee

The Club Constitution and By Laws define the procedure for the election and notification of Office Bearers for each new Lions year. They commence in January (or earlier) when the Club President appoints a Nominations Committee.

The Nominations Committee should not be seen as controlling the appointment of office bearers for the coming year and at all stages it should be made clear to Club members that alternative nominations are welcomed at the Nominations Meeting.

The task of the Committee is solely to ensure that there are suitable nominations for all elected positions is available at the Nominations meeting.

8.2 Nominations Meeting

The Club Secretary must give fourteen days formal written notice of the venue, date and time of the Nominations Meeting and the positions to be filled, to each paid-up member*.

Such notice would ideally include a reminder that any paid-up member is entitled to submit further nominations for any or all elected positions subject only to those nominated agreeing to serve.

8.3 Election Meeting

Following the nominations meeting, an election meeting must be held at a suitable date, to comply with MD201 reporting requirements (usually 15 April but to be confirmed by the Cabinet Secretary) and in accordance with the Club Constitution.

The Secretary must also give a minimum of two weeks prior written notice of the meeting, which must include the date, time, and venue of the meeting together with the names of all those nominated for each position*.

Further nominations cannot be accepted at the Election Meeting, other than in the circumstances outlined in Rule 14 Section C of the Standard Club Form Constitution.

For more details of the election process, see Fact Sheet 20 in the Presidents' Manual

8.4 Notification of Elected Officers

Following the election meeting, the Club Secretary must immediately notify the elected officers for the ensuing Lions year to the Cabinet Secretary. You must also enter information on MyLCI.

9.0 CONVENTIONS AND DELEGATE RELATED ISSUES

In the lead up to District, Multiple District and International Conventions, you have a couple of very important roles.

Please note - Club delegates must attend the Convention to vote.

9.1 International Convention

If a member of your Club is attending International Convention, the Convention organisers or Cabinet Secretary will provide details to enable you to authorise delegates.

9.2 District and Multiple District Conventions

You will need to return Convention Delegate Registration Forms for Multiple District and District Conventions.

Please return these forms by the due date to ensure that your delegates are able to vote at Convention.

The Club should formally appoint Delegates and Alternate Delegates (who are able to vote in the absence of your Delegate/s) at a meeting and record the appointment in the minutes.

The Cabinet Secretary will email all the forms and instructions (including the number of delegates to nominate) in plenty of time for your Club to comply.

For District and Multiple District Conventions, ensure that you complete and return the forms sent to you by your Cabinet Secretary.

Your Club should appoint voting Delegates based on one Delegate and one Alternate Delegate for each 10 members of the Club or a major fraction thereof – the major fraction being interpreted as 5 or more members. A member must have been a member for 12 months and one day as at the first of the month last preceding the month in which the Convention is held to be eligible for inclusion in your membership count.

However, any member in good standing may be a delegate, regardless of their length of service.

9.3 Convention Registration, Formalities and Delegates Expenses

The procedures for obtaining Convention registration and accommodation are separate from voting Delegate Registration procedures. This is often misunderstood by new Conventioneers and can cause problems for Convention Committees.

Please ensure your Club's Delegates know they must also register for Convention and book their accommodation.

Convention registration for hospitality and accommodation is the financial responsibility of the individual Lion. Some Clubs operate Convention Funds derived from Administration Account monies that assist or reimburse Club Delegate expenses.

Under no circumstances should Club Delegate's expenses be met from Activities Account monies.

9.4 Convention Remembrance Ceremony Forms and Procedures

For District and Multiple District Conventions, you will receive forms from your Cabinet Secretary requesting notification of the names of those members/partners of your Club (Lions Lioness and Leo) who have died since the last return form was completed for that Convention.

These details assist with the arrangements for the Memorial Service usually conducted at Conventions. You should take special care that the details submitted (such as dates titles and spelling of names) are correct. In some cases, you may be asked to consider sending a photo.

Where a member of your Club has died, it is important to ensure that members of your Club are present at the District Convention to recognise your late Member during the ceremony. If this is not possible, then ask your Zone Chair to deputise.

You may also wish to invite the relatives of your deceased member to attend the

9.5 Multiple District 201 Convention Fares Equalisation

In view of the high costs of distance travelling within Australia, Multiple District 201 has set up a Fares Equalisation Scheme to assist Club Delegates with travelling costs.

The scheme assists two accredited Delegates of a Lions Club located outside the centre of a circle with a radius of 1200km centred at the Convention location.

Subject to availability of funds, reimbursement is at the rate of 19c per additional kilometre travelled outside the 1200km radius. The Cabinet Secretary certifies claims.

Funds refunded under the Scheme are paid to the Delegates' Club. MD201 policy does not permit the funds to be disbursed or utilised in any other way. This does not prevent the Club from reimbursing delegates or attendees at the Convention from these funds.

Club Delegates must attend the Convention for any claim to be admissible. Club Delegates who are otherwise funded to attend the Convention are excluded from the Fares Equalisation Scheme.

10.1 The “Lion” magazine and District Newsletter

The procedure for **the Lion magazine** has changed. National Office sends all copies for members to the Club, which will be responsible for distribution.

The District Newsletter is produced monthly and made available electronically to each Club. Please circulate it to Club Members and consider re-publishing some articles in Club Bulletins/Newsletters.

The newsletter is available for download from the News tab of the District website at the beginning of each month (<https://201q3.lions.org.au/>). The tab also contains back issues.

Members may register to receive a copy of the newsletter by completing the Newsdirect link in the Members Only Login page of the District website (<https://201q3.lions.org.au/>).

10.2 District Governor’s Team Visit

A member of the District Governor Team visits Clubs to acknowledge the contribution made by the Club, listen to the Club’s questions, successes and challenges, how the District can assist Clubs (and vice versa), evaluate the operations of the Clubs and discuss Lions’ business matters. Please use this opportunity to strengthen your relationship with District Officers.

Sometimes two Clubs or all Clubs in a Zone will have a joint meeting to host the Governor Team Member.

The Cabinet Secretary will provide full details of the District Governor Team visits, including the date, who will be attending and their cv, awards the Governor may present and the length of time they would like on the agenda well in advance of the visit.

They are also willing to conduct inductions or other presentations during their visit. Please do not schedule other speakers on the day of visit.

Throughout the year, please inform the District Governor about your major activities – he/she may be able to attend.

Annual General Meeting

(Procedures to be Adopted by Incorporated Lions Clubs)

The Associations Incorporation Act 1981 stipulates that all incorporated organisations must hold an Annual General Meeting (AGM) within six months of the close of the year. Our standard Club Constitution confirms this requirement in Rule 16, Section E.

The Lions Club Management Committee determines the method of calling the Annual General Meeting, but the Secretary must give at least 14 days' notice in writing and must state the business to be conducted at the meeting.

Quorum for Annual General Meetings

At the AGM it is necessary that a quorum be established. [Refer Rule 16, Section F (1) and (2) detailed below:

- (a) The quorum for a general meeting is at least the number of members elected or appointed to the management committee (Board of Directors) at the close of the association's last general meeting plus one)
- (b) However, if all members of the association are members of the management committee (Board of Directors), the quorum is the total number of members less one)

Agenda for Annual General Meetings

It is important that incorporated Lions Clubs follow correct AGM procedures.

The following agenda should be followed:

- (b) *Attendance*
- (c) *Apologies*
- (d) *Confirm that the minutes of the previous AGM are a true & correct record of that meeting.*
- (e) *The Annual Report by the retiring President is to be adopted. The Club members **may** move that the President's report (which was presented at the Installation Night) be taken as read before adopting the report.*
- (f) *A report may be presented by any other retiring Officers (If any given, such reports to be adopted).*
- (g) *The Audited Financial Accounts for the previous year be presented for approval and adopted.*
- (h) *Confirm the election of the Board of Directors (and the names are to be listed in the minutes).*
- (i) *An Auditor be appointed.*
- (j) *General Business*
- (k) *Meeting closed (time)*

Suggested Wording for Motions to be moved at the AGM.

Suggested wording for motions which need to be moved, seconded and carried are listed below:

- MOTION SIX** That the appointment of Club Officers who were duly elected to the Management Committee (Board of Directors) at the Lions General Meeting held on _____, be ratified. These officers will hold their respective appointments until 30 June 2022. *(Such officers to be named in the Minutes).*

- To encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavours.

Lions Code of Ethics

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

Child Safe Policy

Protecting children is

EVERYBODY'S

BUSINESS

Queensland legislation requires organisations such as Lions Clubs which fall within the Blue Card System to have a documented “**Child & Youth Risk Management Strategy**” [Policy] to help create a safe and supportive environment for children. Blue Card Services may request a copy of an organisation’s policy at any time, and failure to comply with the requirement to have such a policy is an offence (penalties can apply) under the blue card system.

Lions Australia has adopted a Child Safe Policy which aims to protect children and young people whilst they participate in Lions MD201 youth programs (ie Youth of the Year, Leo of the Year and Youth Exchange). For more information, please refer to:

<https://lionsclubs.org.au/our-governance-structure/md201-child-safe-policy-resources/>

Q3 District has developed a model “Child & Youth Risk Management Policy & Procedures” for all clubs within the District to adopt which incorporates both the Qld legislative requirements and Lions Australia expectations. A copy of this document will be made available to all Lions Clubs and can be downloaded from the District website.

All Lions members should adhere to/understand the “Code of Conduct when Dealing with Children/Young People” – refer to Section 7 of the Lions Australia Child Safe Policy.

CHILD SAFE OFFICER & CLUB PRESIDENT

- The President of every Lions Club which has children/young people participating in any of its projects, functions or activities shall ensure the Club has a designated position of Club Child Safe Officer and that a Lions member is appointed/assigned to perform the duties of this role.
- It is strongly recommended that the appointment of a Club member to the position of Child Safe Officer be “minuted” at the beginning of each Lions year.
- It is also strongly recommended that the Child & Youth Risk Management Policy & Procedures document is included in the Club’s Policy Minutes which are reviewed at the beginning of each Lions year.

Duties of the Club Child Safe Officer

- Keeping a record of all members and volunteers who hold Blue Cards, and the date they expire.
- Reminding members when they need to apply/reapply for a Blue Card (allowing processing time).
- Keeping a record of members and volunteers who do NOT have a Blue Card and ensuring Committee Chairs for projects dealing with children are aware, so do not allocate them tasks which require a blue card.
- Taking steps to link a member’s Blue Card from another organisation to your Club
- Cancelling or delinking a Blue Card if a member leaves the Club
- Signing Blue Card application forms – if you do, please ensure you are aware that it is an offence to employ a disqualified person, negative notice holder or a restricted person – refer to the Organisation Declaration section on the form
- Ensure members have an understanding of the Child Safe Policy including the Lions Australia Child Safe Policy and this is revisited annually
- Complete “Child Safe Incident Reports” when there have been breaches of the policy.
- Manage the transition to Blue Card Services online applicant portal system
- Keep up-to-date with changes from Blue Card Services
